Library Board of Trustees Appoints Catherine Overton as Library Director

As the newly appointed Director of your Library, I am both grateful and excited to have the opportunity to continue to serve the Baldwin community. My goal, with the support of a terrific staff, is to make our great Library even better.

Having worked in several positions and departments since 1996, including Librarian-in-Charge for the last phase of the Library's Expansion Project, I feel that I know many of you personally. Please feel free to share your ideas; I value your comments and concerns about the Library.

If you haven't visited us in a while, you're in for a surprise! Stop by and check out the many services and activities we offer. There is something here for everyone!

Catherine Overton, Director
