## DATABASE SPOTLIGHT

### Around the World with *CountryWatch Youth Edition*

*CountryWatch Youth Edition* is tailored to young students exploring the countries of the world and global events. It combines background information on specific countries, current events coverage, and colorful images.

“Country Reports” are regularly updated background information on every country in the world, from “fast facts” to history, government, culture and cuisine. “Current Events” features significant and timely political developments around the globe. “Learning About the World” addresses issues like globalization and the environment. “Global Images” provides colorful maps, flags, graphics and photos from around the world. Also included are quizzes and curriculum-based activities intended to widen students’ awareness of the interconnected world in which we live.

*CountryWatch Youth Edition* is accessible from home, as well as in the Library. Visit [www.baldwinpl.org](http://www.baldwinpl.org), click on Magazines/Databases, and look under “Children.” You can also find it on our *Children’s Corner* page—click on “Online Databases.” Use your 14-digit library card barcode to access these resources from home. Come to the Adult Reference Desk for a demonstration of this or any of our databases, or call us at 223-6228 for help.
